

# Blue View Vision –Exam Plus Indiana CPA Society

Effective Date: January 1, 2010

At Anthem Blue Cross and Blue Shield, we understand that vision benefits are essential to maintaining your overall health and well-being. After all, a slight miscorrection in eyesight can reduce productivity by 10% and work accuracy by nearly 40%. Computer eyestrain can reduce productivity between 10 and 50%.<sup>1</sup>

Blue View Vision, our vision program, provides a cost-effective vision plan. The plan is easy to use and offers savings beyond exam coverage. Blue View Vision provides you with an innovative vision program to meet your unique needs and improve your overall wellness.

### Finding a Blue View Vision Provider

Blue View Vision has an extensive national network of participating providers contracted under a vendor agreement with EyeMed Vision Care. You can easily find a provider conveniently located near you. Nationally, we contract with independent optometrists and ophthalmologists as well as retail locations such as LensCrafters®, Target Optical, Sears Optical, JCPenney Optical, and most Pearle Vision locations. Please call Blue View Vision at (866) 723-0515 if you have questions about your vision benefits or need to locate a provider.

### Using a Participating Provider

By using a participating provider, you minimize your out-of-pocket expenses and receive the benefits of not having to hassle with paperwork, since the participating provider verifies your eligibility and obtains all the necessary information. You simply pay your copayment and any remaining balance at the time of your appointment.

Blue View Vision providers offer you discount pricing, which is significantly below retail. You receive substantial savings (15%-40% or more) on most eyewear pair purchases, conventional contact lenses, lens treatments, specialized lenses and various sundry items.

### Using a Non-Participating Provider

If you choose to go to a non-participating (non-network) provider, you must pay the provider directly at the time of service. Out-of-network claims must be submitted by you. Simply submit a claim for reimbursement. When using a non-participating provider, your coverage may be limited and your out-of-pocket expenses may be greater.
