

HYLANT Columbus

Hylant is one of the country's largest privately held insurance brokerages, specializing in business insurance, personal insurance and employee benefits locally, nationally and internationally.

Our Columbus office was established in 1993, with the acquisition of McCloy Risk Management. Since that time, the office has grown to 50 employees.

Who we serve

We have clients in many business sectors including a large number in manufacturing, healthcare, construction, restaurants, hospitality, food and agriculture. We serve companies of all sizes, offering both property & casualty insurance and employee benefits.

As a long-time, family-owned business, we know the value of developing personal relationships along with customized plans for each organization, considering all of their unique needs as well as current trends in the market. Our culture fosters partnerships with our clients to solve problems and create innovative solutions.

Our community

We are proud to support the community where we live and work including specific campaigns and/or involvement benefiting the Ronald McDonald House, the Columbus Zoo, MidOhio Foodbank, LifeCare Alliance, A Kid Again and St. Vincent's Family Center.

Client Testimonial

"As our insurance broker, Hylant has served as an extension of MedVet, a true partner supporting our organization. Hylant's broker relationship has been critical to MedVet over the past two years of rapid growth and integration. They provide HR personnel lift in times of high volume, act as an employee advocate with our carriers, and go above and beyond the role of broker. We are incredibly pleased to have them as our business partner."
